# Where Men and Machines Air Crashes

## Spectacular Blaze Results in Heavy Loss to Machinery Company

Fanned by a high wind, fire which broke out shortly after midnight destroyed the premises of the Western Cabinet Manufacturing Company and the Auto Blacksmith Shop, 11014 101 street, causing a loss of \$66,000, attracted by the flames and clouds of smoke carried high into the air by the wind.

Thousands of spectators gathered at the scene to watch a stirring fight put up by firemen. Valuable stocks of machinery and lumber were contained in the building. The alarm was turned in a few hours after midnight and it was several hours after the blaze was turned in. The loss was partially covered by insurance.

## Fanned by High Wind as Thousands Look On

## \$66,000 Loss in Early Morning Fire

Flames which roared high into the sky fanned by a brisk wind drew thousands of Edmontonians and caused about \$66,000 damage to the Western Cabinet Company and the Auto Blacksmith Shop, 11014 101 street, about 12:15 a.m. Friday.

THE WOODEN FRAME building which covered more than half a block, were soon destroyed. The fire was a spectacular one to watch, with bright flames shoot-

ing high and a few minor explosions. The fact that it could be seen so far drew many thousands of watchers from all parts of the city.

The blaze is believed to have originated from the kiln dry lot behind the blacksmith shop, on the north west corner of the premises. From there the fire spread to all the buildings.

JACK SKINNER, 11237 85 street, proprietor of the blacksmith shop, said his loss in equipment would run to about \$3,500, none of which

is covered by insurance. He told the Circle resident of Vancouver, B.C., that when he left the premises at 5:15 p.m. all was in order.

John Sulyma, 11511 101 street, and Tom Hays, 11511 101 street, owners of the cabinet shop, estimated their loss in equipment and material at about \$66,000. They said that \$60,000 insurance was carried. The buildings are valued at about \$4,000.

INCLUDED in the material lost by the cabinet manufacturers were a case load of glass, numerous cast-iron, hard wood flooring, chairs, paint, shellac and thousands of dollars worth of machinery. Mr. Hays said that when he visited the premises at 10:30 p.m. everything appeared to be in order.

Several piles of lumber at the rear of the buildings also caught fire but were only partially destroyed.

POLICE SAID the buildings

## Due to Severe Weather

## Ontario Threatened With Crop Disaster

TORONTO, May 30 (CP)—The coldest, wettest spring in Canadian weather records has damaged this year's crops, particularly in the east, to an extent that cannot yet be accurately estimated. But in Ontario the crop was threatened with disaster.

THERE WAS FROST again on the prairies and in parts of Ontario and the Maritime last night. Prayers for deliverance from the weather and rain in Quebec, being said in Roman Catholic churches.

Forecasters promised relief today from the latest rain in Eastern Canada, with continued cold weather but likelihood of warmer temperatures at the weekend.

While spring seeding was impossible in many areas of Eastern Canada the situation "is not hopeless by any means," said P. C. Ripley, field husbandman of the agriculture department at Ottawa. He recommended sowing oats and corn as late as June 15.

June 15 millet and buckwheat could be used as "catch crops" and the likelihood of rain in June would be to the advantage of the farmer.

The next two weeks are critical. If they turn out warm and dry, the crops will be in good luck; if not, it will be impossible to make seedling time any more.

COLD WEATHER was the chief problem on the prairies, but the fact that the spring was so late set back the crops at advantage as the weather turned out. Had crops been advanced earlier by warm weather earlier, loss in the west would probably have been heavier.

## Princess Robbed of Jewels, Rinsed

LONDON, May 30 (AP)—A 34-year-old woman, who was robbed of her jewels and rinsed in a public house in London, was released today.

The woman, who was identified as the Princess of Wales, was released today after being held in custody for several days.

## 39 Killed at New York Field In Worst Commercial Disaster

By The Canadian Press

## Plane Crashes At a Glance

More than 100 persons are feared dead after a series of widely separated plane crashes throughout the world yesterday and last night added up to one of the blackest days in peacetime aviation history.

In two civilian crashes, one in Iceland and one in New York City, 39 are known dead and little hope is held for 25 who crashed on a bleak Iceland mountain.

In Japan, 40 occupants of a United States Army courier plane are believed to have perished after their aircraft crashed on a hill not far from Mount Fujiyama.

## Crashes in Argentina

In Argentina four persons were killed and one injured when two planes, one civilian and one army, crashed in separate incidents. Both members of the army aircraft's crew were killed when it crashed into a city park while the pilot and one girl passenger were killed and a second girl passenger hurt when the civilian plane crashed up on a mountain.

THE WRECKAGE of both the civilian plane and the one in Japan were sighted by a high Hungarian plane which appeared in either case.

No signs of parties are working under difficult conditions in the two areas to reach the crash scenes. The New York crash was the worst in the history of commercial aviation.

A Cleveland-bound United States plane crashed on takeoff from the Cleveland Municipal Airport.

RUBEN, May 30 (AP)—Inventor of the flying saucer, a 30-year-old man, was killed today in a crash landing of his plane in a field near his home.

FAIRBANKS, Alaska.—Army plane crashed today after taking off from Fairbanks, Alaska, and crashed into a field near the city.

FAIRBANKS, Alaska.—A four-engine plane crashed today after taking off from Fairbanks, Alaska, and crashed into a field near the city.

By H. L. Jones

OTTAWA, May 30 (CP)—Reconstruction Minister Howe last night told the Commons he was "not closing the door" on suggestions for a program of state subsidized housing to end Canada's shortage of accommodation.

He said he would be "sorry" if this was found to be the only solution.

MR. HOWE stepped into a debate on second reading of a National Housing Act bill, later given an approval of principle, to answer opposition suggestions that this method was the only one which would effectively meet the need.

The bill was given final reading after the House rejected several amendments proposed by the CCF party. It now goes to the Senate.

Substantiated, however, said Mr. Howe who has charge of housing might be the situation but, if it was understood that the bill was a "very different" organization of responsibility and a "very different" supply of money in the hands of local and provincial governments.

Earlier opposition members gave the bill a "very different" organization of responsibility and a "very different" supply of money in the hands of local and provincial governments.

Canada Considers Envoy to Moscow

OTTAWA, May 30 (AP)—The appointment of a Canadian ambassador to Moscow "is being given consideration" by the government, Mr. Pearson said today.

Asked by Stanley Knowles, CCF member for Winnipeg North, whether the government was considering the appointment of a Canadian ambassador to Moscow, Mr. Pearson said: "I am not sure that I can say more than that it is being given consideration."

of controls and up into the intricate field of finance.

MOST OF THE opposition speakers on a bill to stimulate Canadian home building, urged a government-sponsored, subsidized program of low-rental housing, but where there was difference of opinion about how it should be done.

Mr. Howe said if a subsidized program was to be undertaken, it would have to be handled by the municipalities with aid from the federal government.

He pointed out that under the constitution housing did not come within the federal ambit but was primarily a responsibility of the provinces. However, the Dominion had recognized the responsibility of taking care of the war-caused

Where a town or city co-operated with the federal authority, housing was up to requirements, but where there was no co-operation there was only a "partial solution." If any city did not have sufficient housing, the fault was largely in the hands of the municipal authorities, Mr. Howe said.

REPORTING ON the progress of the program itself, he said there was "doubt" whether the target of 80,000 housing units per year would be met unless construction speeded up during the next month. This was because of rising costs and other factors.

Lawrence Sker (P-Coronto) urged Mr. Howe to consider lifting the freezing and evictions order of new accommodation for July 1. He said hundreds of housewives were afraid to open their doors to tenants because they feared they "would be stuck" with an undesirable tenant.

## Basic Pension

(Continued from Page 1)

amounts they feel their taxpayers would approve.

Most provinces are already giving some extra amounts to the present basic allowance of \$25, on which the Dominion pays 75 per cent or \$18.75 and the provinces \$2.25.

THE PRESENT LAW actually provides a basic allowance of \$25 of which 75 per cent is payable by the federal government, but during the war it was augmented by \$5 by order-in-council which still stands.

British Columbia has been paying \$10 a month in addition to the present \$25, so that old-age pensioners in that province get \$35. Ontario is expected to continue the extra payment of \$5, so that when the new basic allowance is fixed at \$30, Ontario old-age pensioners will get \$35.

The bill will also permit old-age pensioners to receive their personal earnings and property than under the present law.

It is likely that old-age pensioners in Alberta will be increased \$5 a month above the basic pension, an official of the department of public welfare said Friday. This will mean that old age pensioners in Alberta will receive a monthly pension cheque of \$35.

Alberta has contributed a supplementary \$5 to the basic pension cheques in the past, it was pointed out.

## Wins O.K. in U.K.

(Continued from Page 1)

amounts they feel their taxpayers would approve.

Most provinces are already giving some extra amounts to the present basic allowance of \$25, on which the Dominion pays 75 per cent or \$18.75 and the provinces \$2.25.

THE PRESENT LAW actually provides a basic allowance of \$25 of which 75 per cent is payable by the federal government, but during the war it was augmented by \$5 by order-in-council which still stands.

British Columbia has been paying \$10 a month in addition to the present \$25, so that old-age pensioners in that province get \$35. Ontario is expected to continue the extra payment of \$5, so that when the new basic allowance is fixed at \$30, Ontario old-age pensioners will get \$35.

The bill will also permit old-age pensioners to receive their personal earnings and property than under the present law.

It is likely that old-age pensioners in Alberta will be increased \$5 a month above the basic pension, an official of the department of public welfare said Friday. This will mean that old age pensioners in Alberta will receive a monthly pension cheque of \$35.

Alberta has contributed a supplementary \$5 to the basic pension cheques in the past, it was pointed out.

# British Fear Rolling-Stock Loss

By Keith Garner  
HERFORD, Germany, May 30 (Reuters)—British Rhine troops will be sent as guards on trains that will start this month taking back to Poland thousands of Polish displaced persons who spent

the last two years in UNRRA assembly camps. THE REASON for the guards is that there is no other way authorities can ensure that the trains return empty—or that they return at all. When British trains have been sent to the Polish annexed eastern strip of Germany in the past they

have often returned with several coaches missing. The general view is that they were used to replenish the depleted fleet of rolling stock at the disposal of the post-war republic of Poland. IN ADDITION, British authorities are keeping a wary eye on thousands of refugees, former German inhabitants of the annex-

ed provinces, whom the Poles are anxious to expel and who are themselves only too anxious to be transferred to the comparative comfort and security of the British zone of Germany. With unguarded British trains operating in Polish territory, it was felt, the temptation for Poles to use them for getting rid of their unwanted Germans might prove too great. THE POLES' decision to allow British guards to accompany repatriation trains ends a deadlock that held up return of thousands of Polish displaced persons for weeks.

# Annapolis Valley Prepares to Crown Apple Blossom Queen

KENTVILLE, N.S., May 30.—(CP)—A pink-tinted backdrop for the coronation of Queen Annapolis Valley was described as "the best in years" by on-lookers tonight on the eve of the 13th annual apple blossom festival. The coronation tomorrow of the girl who will reign over the valley for the next 12 months is the high

point in the annual pageant of thankfulness for the multi-million dollar fruit crop raised here every year. THE QUEEN will be selected by three judges from princesses chosen by each of the 10 valley communities. She will be crowned after a parade through the King's Cross

Shirton and later, at the Blossom Ball, will receive Premier MacDonald of Nova Scotia—one of her subjects during the three days of the festival. Already hundreds have booked accommodation here for the duration of the festival and thousands more are expected to come.

### JELLIED BEEF TONGUE (sliced) 1/2 lb. 32c

### SLICED BACON 25c

Mild cure, lean side, 1/2 lb. 25c  
Sugar cured back side, 1/2 lb. 31c

### SILVERBRIGHT SALMON, By the piece, lb. 20c, Sliced, lb. 23c

## CBC Head States: Facsimile Broadcasts Are Up to Government

OTTAWA, May 30.—(CP)—Any step by the CBC into the field of facsimile broadcasting of newspapers would be a matter of public policy decided by the government and parliament, A. D. Dunt, chairman of the CBC's board of governors, yesterday told the radio committee of the Commons.

"In another day or two, sitting, the committee heard it contained by John Dieffenbacher (PC-Lake Centre) and Rev. G. H. H. (GC-Matthew) that the CBC had power to go into that field with results that could eliminate the newspaper business as now constituted.

"You have that power," Mr. Dieffenbacher said. "Do you want to use it?"

"I don't know," said Mr. Dunt. "We simply haven't considered it."

Mr. Dieffenbacher, quoting the financing of a committee sponsored by the University of Chicago, said facsimile broadcasting — it is a newspaper out of your radio in time for your breakfast table, he said — now was practical.

He argued that this presented radio with the opportunity to draw public thinking both by ear and eye.

M. J. Caldwell, CCF leader, said 30 Canadian newspapers already had controlled radio in the past, but that this was the other side of the picture. In the west one group controlled two radio stations and three newspapers in Manitoba and Saskatchewan. It was a fact that they were liberals and fair but that they might be replaced by somebody else.

"ANY MONOPOLY is dangerous," Mr. Caldwell said, "and should be stopped."

The facsimile discussion drew to its conclusion with Mr. Dunt stating that the CBC had only a tentative policy in considering the granting of licenses to applicants.

Broadly, the board decided to allow the owner of a radio station in any area to broadcast different programs on amplitude modulation or AM frequency and on FM frequency. AM is the present method and FM is a shorter-range, higher-quality system.

In another reference to FM, Mr. Dunt said discussions were going on with the Canadian Federation of Musicians which is affiliated with the US musicians union under Caesar Chavez, which has refused to allow FM frequencies to use AM broadcasts by its members without extra charge.

Mr. Hanzell said that if this policy extended into Canada it would greatly hamper the development of FM. There is a great deal of opinion here that this militates against the power Mr. Pettillo seems to have," he said.

Arthur Smith (PC-Calgary West) said there was no doubt that the same situation would pertain in Canada as in the US. Mr. Dunt said discussions were going on with the Canadian union that "we're hopeful." He did not elaborate.

A large gun aboard ship in a light rope by which a boom is prevented from swinging around.

**Wolves on Prowl**  
VIENNA, May 30.—(Reuters)—Wolves, believed to have crossed the mountainous frontier from Yugoslavia, have attacked herds of cows in the British zone of Austria, the newspaper Salzburger Nachrichten reported today. Peasants have been afraid to drive their cows into the usual summer pastures.

**BEGIN DISCUSSIONS**  
GENEVA, May 30.—(Reuters)—A committee of the world trade and employment conference under the chairmanship of Duna Wigners, Canadian Minister to Switzerland, yesterday began discussions on what was regarded here as the highly important chapter of the draft international trade "charter" dealing with restrictive business practices.

**Minister's Mother Dead in Ontario**  
LONDON, Ont., May 30.—(Reuters)—James C. Gardiner and mother of Federal Agriculture Minister Gardiner, died yesterday at her home at nearby Kirkton after she was flying to Ottawa from Western Canada when he learned of his mother's death and left his plane at Toronto, arriving at her home yesterday. Also surviving are two other sons, Robert and William of Jordan River, Sask. Gardiner's daughter, Mrs. G. Allen of Kirkton.

**Arterial Defect Caused Fatality**  
VANCOUVER, May 30.—(CP)—Death of 34-year-old David Sherlock last Sunday was due to a hemorrhage, caused by a defect in a blood vessel of the brain, a coroner's jury learned yesterday.

The boy collapsed and died after being struck by a 17-year-old woman following a quarrel. The older youth has been charged with murder. Doctor S. A. Craighead said the hemorrhage could have been caused by a slip in the face, by a strong emotional state, or by physical exertion. The autopsy said the defect apparently existed at the boy's birth.

**Rejects Demand**  
MUNICH, May 30.—(AP)—Hans Ehard, minister president of Bavaria, today rejected the demand of German leaders in the Russian occupation zone to transfer to Berlin the projected Munich conference for discussion of economic unity in divided Germany.

The safety match came into use about the middle of the 19th century.

**Rank in Favor Of Give and Take**  
HOLLYWOOD, May 30.—(AP)—J. Arthur Rank, the British movie magnate, is in favor of an equitable give-and-take between Hollywood and England with certain limitations temporarily. He told a press gathering yesterday he favored eventual abolition of restrictions against American films in his country, but added that he in the present the British industry must be protected by holding United States motion pictures to a quota.

**Plan Fly Bulls Across Atlantic**  
SEATTLE, May 30.—(AP)—Five Washington state Holstein-Friesian bulls are headed east by train for a Trans-Atlantic flight to Italy. Carriers have reported the stress from their famous herd, destined for an assignment in building up Italy's war-depleted herds, will be offset from James Airport, Westfield, Mass., to Milan. Unlike the mild mannered herds which Carleton flew to Uruguay recently in a race against the stock, the bulls will be created for their air jump.

**Lethbridge Plans Mark TCA Founding**  
LETHBRIDGE, Alta., May 30.—(CP)—Plans for the Trans-Canada Air Lines 10th birthday celebration to be sponsored here by the Lethbridge Board of Trade June 20 are being rapidly advanced and expectations are that heads of most North American airlines and aircraft manufacturing firms will attend the celebration.

Sir William Percival Hildred of London, Eng., director general of the International Air Transport Association, will fly here from Britain to attend the celebrations. Reconstruction Minister Hildred, who played a large part in the formation of Trans-Canada Air Lines as minister of transport.

Other invited guests who have already signified their intention of attending include: D. B. Colver, Nolleville, B.C., former TCA vice-president; J. J. Larkin, assistant vice-president of operations of United Air Lines, Chicago; and former TCA vice-president H. O. West, now president and general manager of Canadian Ltd., Montreal.

**Canadian-Built Vessels for Sale**  
MONTREAL, May 30.—(CP)—Vessels built in Canadian shipyards and afterwards employed in commercial and naval services are being placed on the market by the Park Steamship Company Limited, acting as agent for War Assets Corporation. There are 21 ships coming up for sale, 30 being 10,000 ton cargo vessels of the "North Star" type, coal burners, and one 10,000 ton oil-burning "Victory" type vessel.

## No Change Seen In Sugar Ration

By CHESTER BLOOM  
Edmonton Bulletin Ottawa Bureau  
OTTAWA, May 30.—(AP)—Announcement of the US department of agriculture at Washington, that the sugar ration for individual consumers in that country has been raised to 33 pounds per person for 1947 will not likely affect sugar rationing in Canada, according to officials of the Wartime Prices and Trade Board.

It is pointed out that in Canada while the total 186 ration for all citizens is 30 pounds per capita per year, including bakers, confectioners, industries, etc., the amount allotted so far to individual consumers is at the rate of 41 pounds per year of which 10 pounds is for preserving. But a housewife can use her preserve coupons for straight sugar if she desires.

The difference between sugar rationing in Canada and the US, according to this source, is that US individual consumers are not rationed on preserves, jams, jellies, syrups, etc., only on straight sugar. But here in Canada, the US and British all get sugar allocations from the international emergency food board on the same per capita basis, the amount per consumer in each country works out about the same.

If the US consumers use more sugar in preserves, etc., automatically they get less in straight sugar, according to this theory.

The US department hinted that the 41-pound rate will continue for the third quarter of 1947; possibly it might be increased a little later if the world sugar situation justifies it.

**RITCHEY LEAGUE MEETING**  
The next general meeting of the Ritchie Community League will be held on Tuesday evening. A good attendance is expected for the meeting as the problem of enlarging the community hall will again be up for discussion.

**Two men named Peter Salm in California** are proving a puzzle to Queen's University of Munich, Germany, who arrived in New York on route to Hollywood and marriage with "Peter Salm." The wrong Salm was notified of her arrival and denied knowing her. A further check revealed the right man was waiting anxiously for the arrival of his bride-to-be.

**Nebraska Gaity Amazes Envoy**  
MCCOOK, Neb., May 30.—(AP)—A suburban visiting British ambassador to the United States describes himself as amazed at the "gaity" of his Nebraska hosts.

"In my country," said Lord Berkeleyside, "we help our celebrations along with beer and whisky. You people do it on coffee. You have a strength that is unknown to us."

# HERALDING . . .

## A "NEW HIGH"

### *In Service to All*

## Motor Car and Truck Owners

Forging ahead with Edmonton, and visioning Edmonton's expanding needs in terms of Automotive Shop and Garage facilities, WATERLOO MOTORS have spared no effort or expense in placing at the service of owners of motor cars and trucks . . . OF ALL MAKES and TYPES . . . the most complete and advanced equipment known in the Industry—plus the skill and experience of trained, expert operators. With a Plant extending over more than 60,000 square feet—keyed to top-flight service, the maximum in motorist satisfaction is our goal.

#### LUBRICATION and FUEL SERVICE . . .

Something altogether New in garage equipment has been installed in this department—the WATERLOO "LUBRI-LIFT". Designed and perfected in conjunction with ARO lubricating equipment as an integral unit for thorough and speedy service—permitting several operators to work without interference. At top left is shown the LubriLift when lowered, housing all lubricant containers below floor level, thus removing unsightly and oftentimes greasy containers so distasteful to the public. The picture at centre left shows the LubriLift when elevated, giving easy access for replenishment of supplies in bulk. And, so, to Edmonton motorists goes the distinction of being the FIRST to enjoy the advantages of a new technique in motor car lubrication.

#### FEATURING IMPERIAL OIL LUBRICANTS EXCLUSIVELY

ESSO Extra and ESSO Gasoline MARVELUBE and MOBOLOIL  
ATLAS TIRES . . . BATTERIES and ACCESSORIES

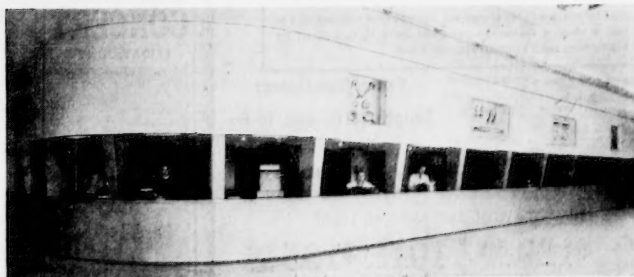

#### SHOP EQUIPMENT and TOOLING . . . the last WORD IN AUTOMOTIVE SERVICE ENGINEERING

Every phase of motor car work—on any type of car or truck is provided for in the arrangement and mechanical equipment at the Waterloo Service garage . . . from electrically and hydraulically operated devices to the finest precision tools. With 12,000 feet of floor space the services which this department offers include Motor Tune-up and Replacement—Brake Service—Battery and Tire Service—wheel alignment and steering—Electrical work—Body repairs—Painting—Welding—and Radiator repairs . . . in fact everything from a tire repair to a complete overhaul—performed by a staff of experienced mechanics anxious to have you as a satisfied customer.

#### A STREAMLINED PARTS DEPARTMENT . . . WHOLESALE and RETAIL

Flanking the beautiful Waterloo Display and Sales Salon, the PARTS DEPARTMENT, as pictured below, with its ninety foot streamlined counter, is arranged for fast and convenient service to the public. Here, Parts Catalogues mounted on stands are placed at intervals for quick and ready reference. Extending back of the public counter and encompassing some 2,000 square feet of floor space is the Parts Stock Room, where over 6,000 distinct parts are classified, and stocked in steel cabinets, with trained attendants on hand, qualified to give authentic advice on your most technical requirements.

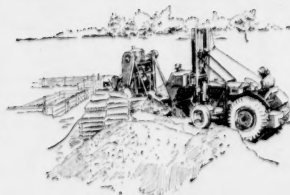

#### GENUINE FORD PARTS and ACCESSORIES FOR ALL FORD PRODUCTS

# DISTRICT NEWS IN BRIEF

## High Prices are Paid At Lloydminster Sale

LLOYDMINSTER, May 30: Annual show and sale of calves and bulls, held here recently by the Lloydminster Exhibition Association was a big success with buyers from Alberta and Saskatchewan paying a grand total of \$33,425.

Top price of \$835 was paid by the Alberta department of agriculture for a 2 year old Hereford bull raised by Alex Mitchell of Lloydminster.

Top price of \$700 was paid by A. Landquist of Maitland, Saskatchewan who purchased a yearling bull from S. Cross of Vermilion for \$385. This animal was judged the junior champion of the morning sale.

THE ANIMAL which brought the highest price was named the grand champion of the Hereford class while reserve junior champion was awarded to another bull, raised by S. Cross. Alex Mitchell also raised the animal which brought the reserve senior championship.

In the Shorthorn class Harold's Brigadier, owned by Alex Dupont of Hlay was named senior champion and reserve senior champion was awarded to the animal owned by D. Leighton of Killeen.

A total of 52 Shorthorn bulls were sold at the morning sale for a total price of \$12,000. This is an average of \$232.34. The same number of Hereford bulls, 41, averaged \$280. 72 female animals were sold for \$2,465.

**Fastball Tourney**  
BELLIS, May 30: North Belts school won top honors in a recent fastball tournament here, Irondeale club emerging victors in the final game.

Schools participating were: Bellis, Edward, Villa, Waskatenau, and Placentia.

**Building Permits**  
LLOYDMINSTER, May 30: Value of building permits issued at Lloydminster from 1942 to 1946 has shown a steady increase and indications are that this year's total value will reach last year's high of \$54,000. For the same period of 1947, permits valued \$158,900 have been issued.

**Talent Night**  
WILLINGDON, May 30: Willingdon's most successful Talent Night was held recently with contestants from Andrew, Harry, Bill, and Shandro taking part in an enjoyable evening ceremony.

Outstanding item was an action song by two young people, Anne Nikitor and Marion Ziganah, entitled "Growing up."

Other contests were won by Laura Ewmiak, Evelyn Serio, Katie Miller, Walter Ropkenko, Willingdon's girls quartet, the Harry Hill orchestra and the Willingdon High school chorus.

**Sports Committee**  
HARDISTY, May 30: Elks Lodge will sponsor both women's and men's ball teams during the summer season. A sports committee has been appointed, consisting of George Skoke, J. Morrison, and F. Stinson. Managers are Clyde Robinson and Red Mattson. Plans are underway for a ball tournament at the end of the season.

**Musical Recital**  
VERMILION, May 30: Annual recital of the First United Church, under the direction of W. B. Efford, was held recently.

Guest soloist was Marie Monaghan, Lloydminster. Ladies' choir offered four choruses.

Two-piano quartets by Kay Proctor, Mrs. Hill, Rev. E. S. Reike, and W. B. Efford preserved the reputation they have gained in past years.

By special request, Mr. Efford presented two organ solos.

**Church Proposals On Indians Made**  
OTTAWA, May 26.—(CP)—The United Church of Canada, in a joint denunciation of federal proposals in providing adequate funds for Indian welfare work, called on the Dominion government Thursday to consider establishment of Indian education "on a completely non-sectarian basis."

Appearing before parliament's joint Senate-Commons committee on Indian affairs, delegates from the church also asked for deletion from the Indian Act of sections providing for the segregation of Indian children by religion.

The requests were contained in a brief placed before the committee during its investigation of proposed amendments to the act.

"We recognize, however," the brief continued, "that changes of such magnitude and which touch the religious faiths of so large a proportion of our fellow citizens are not likely to be made in a day and in the meantime, the United Church is ready to co-operate with the government in carrying out its educational policy provided that this cooperation will not be at the expense of the missionary funds of any church which does not insist on the maintenance of the status quo."

**Set \$50,000 Bail In Bludgeoned Case**  
GROTON, Conn., May 30.—(AP)—Archie Carpenter, 27, of Mystic, Conn., captured earlier by an unarmored truck driver, last night was arraigned in court charged with assault with intent to kill a retired carpenter and his wife and daughter early Wednesday.

Carpenter was remanded to jail at \$50,000. Rev. and Mrs. Nicholas Shipley and their 16-year-old daughter, Evelyn, were in hospital with severe head injuries which they received when a truck struck them to the well bottom and struck him to the head.

**Falls In Well**  
ONORWAY, May 30: While working in a well, E. Calder suffered a severe head and was killed in a water reservoir when the ladder was sliding in the well and he fell about seven feet to the bottom of the well. The head of the ladder was found after his fall to the well bottom and struck him to the head.

**Win Award**  
VANCOUVER, May 30.—(CP)—The Junior Board of Trade of Vancouver, for the second straight year, has been awarded the highest achievement award at the national convention of junior boards of trade in Portland, Ore. It was announced here last night.

**Val Berg's Men's Wear**  
"THE LITTLE STORE AROUND THE CORNER"  
ON 103 ST., JUST SOUTH OF JASPER

# Rising Star

Hardisty Lake to be held June 18. The Rev. A. Edworthy has been transferred to Knox Church, Drumheller. It was announced recently that the Rev. A. Edworthy, who was paid by A. Landquist of Maitland, Saskatchewan who purchased the same animal from S. Cross of Vermilion for \$385. This animal was judged the junior champion of the morning sale.

THE ANIMAL which brought the highest price was named the grand champion of the Hereford class while reserve junior champion was awarded to another bull, raised by S. Cross. Alex Mitchell also raised the animal which brought the reserve senior championship.

In the Shorthorn class Harold's Brigadier, owned by Alex Dupont of Hlay was named senior champion and reserve senior champion was awarded to the animal owned by D. Leighton of Killeen.

# Calmar Students Attend Banquet

CALMAR, May 30: The Calmar High School graduating class held its annual banquet and dance in the town hall recently. Among those present were the graduates, under-graduates, parents, teaching staff, the Calmar school board, and representatives of the Clover Bar school board.

The vaudeville address was given by Walter Peterson. Special guest speakers for the evening were J. J. Williams, superintendent of the Clover Bar school division, and Hon. R. E. Anley, minister of education.

Graduates included Donald Kort, Anne Shyva, Kenneth Haydon, Marie Phillips, Alan W. Smith, Walter, Robert Engberg, Mike Karbunk, Gordon Orin, and Walter Peterson.

Students representing 14 schools, completed in the second annual track and field meet of the Calmar Area, held here recently.

In the football competition the Calmar intermediate team defeated Humbler School, last year's winner, in a baseball game over the holiday week-end the Calmar senior baseball team defeated the Bashaw team.

**Reduce Mill Rate**  
CAMROSE, May 30: Reduction of the 1948 mill rate by two mills was approved at a special meeting of the town council recently. This will make the 1947 rate 26 mills, and on 100 per cent on both land and improvements.

Camrose school request out of the current year's request will be \$46,000 out of the total estimated expenditures of \$128,000. Largest single expenditure is \$16,000 for greasing. Proposed sewerage purchase of new machinery equipment will be financed out of reserve funds and debentures rather than by current revenue.

Assessments for the year are \$257,000 over those of 1946, increased as a result of new developments and business premises constructed last year.

**Derwent Couple Mark Anniversary**  
DERWENT, May 30: Mr. and Mrs. Victor Christensen, well-known residents of Derwent, celebrated their silver wedding anniversary on May 29. A large number of friends from the town and surrounding districts attended the celebration at the home of the couple.

Married in Rocky Mountain House on May 22, 1922, the couple came here in 1931, and became owners of the Derwent Creamery.

A silver tray, gift of respect and admiration was presented to the couple from their many acquaintances. Toastmaster J. W. Moly expressed best wishes.

Expressions of thanks were also given by Mr. and Mrs. Christensen. Assisting in serving the calves were Henry Benson and C. A. Algot.

Mr. and Mrs. Christensen have three children, two sons and two daughters, Lois and Irene.

Princess Edward Island did not enter Confederation until July 1, 1871.

# Girls Win Prizes At Calf Show

CRAIGSVILLE, May 30: Top honours at the first showing of the Craigsview Junior Calf Club, which was held here as an added attraction to the annual Empire Day celebrations, were won by girl members of the club.

First prize was won by a fine Hereford, fed and shown by Evelyn Wells of Hinton. Second was taken by a Shorthorn, shown by Violet Smith of Craigsview, and third prize was won by her sister, Barbara Smith, with another Shorthorn.

Mr. McDonald of Granger, who judged the calves, praised the members for the fine way they had prepared their calves for the event. The district agriculturist, K. Walker, and club leaders, M. Reeves and J. Gault, were well pleased, both with the interest shown by club members and the keen interest shown by the large crowd in attendance for the event.

Prizes amounting to \$25 were donated by the Craigsview Board of Trade. As an added inducement to the young people, Mrs. Smith, a farmer of the district donated an additional prize.

**Coal Mine Burns**  
ENTWISTLE, May 30: Fire of unknown origin completely gutted the Robinson Coal Mine here recently. The blaze was at a great height before it was noticed and it was impossible to quickly. Loss is estimated at several thousand dollars.

**Old-Timer Dies**  
VERMILION, May 30: Mrs. Fanny Maggie Richards, 80 years of age, died at the general hospital here recently. She was 78 years old.

Mrs. Richards came from England in 1867 and settled with her husband and family in the Vermilion district. She had been interested in community affairs for a number of years.

Surviving are her husband, Silas, 81, and five grandchildren. Two daughters and one son predeceased her.

# Highlands Plans Cup Competition

The first round of the Kirkland Cup will get underway at the Highlands Golf Club on Saturday afternoon. It is a knockout event, played on handicap.

Members who will be unable to play Saturday, are asked to arrange to play their matches before the following Friday.

**Killed by Car**  
**VANCOUVER**, May 20.—(CP)—One man was killed and another injured when they were hit by an automobile on a downtown street. Dead is 46-year-old Frank Jeter. Hospital authorities said the condition of Peter Sawyer, 46, was not serious.

Cameleers are capable of drinking 10 or 12 gallons of water at one time.

**Packers Win**  
 Canada Packers put two runs through in the ninth inning to beat Hudson's Bay 12-11 in Thursday night's Ladies Intermediate Football League game at Diamond Park.

Hudson's Bay: 400 000 000—11 9 5  
 Can. Packers: 300 000 412—12 6 11

P. Hellebrand and T. Cassidy: 7. Hudson and T. Fiddell.

Next game tonight — Canadian League vs. NADP.

## Olivia de Havilland

1946 Winner of the Academy Award for the Best Performance by an Actress...

**WHAT AM I... BELOVED OR BEWITCHED?**

To know this twin is to love her...  
 To love this twin is to die...!

**Olivia de Havilland Lew Ayres**  
**"THE DARK MIRROR"**  
 with THOMAS MITCHELL, EDWARD LONG, CHARLES EVANS, GARY MATHIS  
 Produced and Directed by ROBERT DUNAT — Screenplay by ROBERT DUNAT — Original Story by ROBERT DUNAT

**Six Days Starting To-day RIALTO**

**Precision Stops Vets 5-2**  
**Legion Wins Second Upsetting RCAF Aces**

Precision Machine and Legionnaires found the range at Kingsway last night, chalking up triumphs over ASA Vets and RCAF Aces. The 1946 champion Legionnaires nipped a close 1-0 game from the Luckies Aces, and the Machine crew bested the Vets 5-2.

Legionnaires' victory came in the 10th inning to snuff a lead they had.

ASA Vets had taken the lead in the 9th inning, but Precision Machine's 10th inning rally was too much for them.

EMERY LONG's triple and Ralph Hanson's line drive to right paved the way for the third inning, which scored in the third inning. Legionnaires' initial run number four.

**LAWN BOWLING**

Legionnaires' victory came in the 10th inning to snuff a lead they had.

ASA Vets had taken the lead in the 9th inning, but Precision Machine's 10th inning rally was too much for them.

EMERY LONG's triple and Ralph Hanson's line drive to right paved the way for the third inning, which scored in the third inning. Legionnaires' initial run number four.

**Archie Prudham Fastball Winners**

Archie Prudham's fastball was the key to the victory over the ASA Vets.

Prudham's fastball was the key to the victory over the ASA Vets.

**"Lefty" Pearce Strikes Out 16**

Lefty Pearce struck out 16 batters as Westmont defeated North York 8-2 in a well-played Community League Intermediate baseball game at North York last evening.

It was the opening game of the season for both clubs and their fans a fine brand of baseball. Pearce was behind the plate when Pearce hit his 16th out.

## YMCA Activities Depicted in Film

Various YMCA activities in America and other parts of the world were depicted in a film to members of the Lions Club at a luncheon held in the Macdonald hotel Thursday.

Stuart Harris, member of speakers' bureau of the YMCA of CA, and the Salvation Army, addressed the gathering regarding united drive by the three organizations to raise \$350,000 for making their buildings in India. The drive will open June 9.

The unemployment rate grows exponentially as work out and quoted after having served over 40 years. There were only 600 people in Edmonton in 1960 and there are over 100,000 in series.

He will leave here Friday for North Battleford and other back-country centres.
